House Bill No. 8893

EXPLANATORY NOTE

By virtue of Republic Act 3997 approved on June 18, 1964, the town of Banna in Ilocos Norte became the Municipality of Espiritu. This is to honor the former Governor Santiago Espiritu who hailed from the town.

Yet, the law and its purpose notwithstanding, the town as and is Banna to her people. Even the town's new generation of residents refer to her as Banna. This manifests the people's will of preserving the town's original name.

Thus this measure.

Approval of this bill is earnestly recommended.
