THE NEWSWORTHY PROJECT OF 2024-2025
THE PASIG RIVER REHABILITATION - ESPLANADE PROJECT

"For the landmark rehabilitation of the entire stretch of Pasig River from Manila Bay to Laguna de Bay. This project has since been the pride of the nation and centerpiece of the people's renewed interest in the role of the Pasig River in the country's history, while nurturing in their walk with their love ones its beauty and the lasting benefit of a clean and peaceful environment resulting in their well-being

Given this 19th day of June 2025, during the Club's Commemoration of Independence Day at the Manila Polo Club, Metro Manila
